DESIGNWORKS COLLECTIVE

Ecologi

At our core, **Designworks Collective** is a creative group of people driven by imaginative ideas and a passion for designing and sharing great products. We continuously reassess how we can be better stewards, striving to cultivate a business that is both responsible and meaningful. We're committed to reducing our environmental footprint, while remaining resolute in our efforts to support you and our community. This journey is ongoing and constantly evolving.

As we embark on a new year, we're excited to share some initiatives that align with our mission and that integrate purpose and joy into our culture.

- **Carbon Neutrality** – In 2023, we undertook a comprehensive carbon assessment by a third-party organization, Carbon Footprint, and successfully offset our emissions for the year. We are committed to maintaining this effort in 2024 and beyond, with a continued focus on reducing emissions as a key priority.
- **Ecologi** – Partnering with Ecologi has allowed us to help fund a project in Zambia that builds borehole hand pumps in communities with unsafe water that rely on wood to boil their water, which in turn reduces carbon emissions.
- **Tree Planting** – One of the best ways we can help target the climate crisis is to plant trees. Working with Carbon Footprint, we are planting 200 trees in the UK at a primary school in Bath to support future generations.
- **Community Giveback Contributions** – We have donated over £270,000 to our giveback partners, including the National Park Foundation, St. Jude Children's Research Hospital, and Humane Society International, and over £23,000 to World Central Kitchen and the Humane Society to support disaster relief efforts.

While we are proud of these efforts, we believe it's just a starting point. We are committed to continue to find new ways to lessen our impact on the planet, as well as provide support and community to people who need it. We appreciate your partnership – it allows us to support these missions that are so important to all of us.

Here's to a Happy, Healthy and Successful 2025!

here's how™

We created Here's How with a simple idea - to craft delicious cocktail (or mocktail) mixers with quality, fresh ingredients and offer ways to serve them in style.

By crafting a culture designed around effortless mixing, our mission is to enhance the social experience and cultivate joy and connection in the process.

Our journey is also about giving back. At Here's How, we are committed to ensuring a better life for animals across the globe. That's why we proudly support Humane Society International. All of our products are named after our own furry friends, honoring their positive impact on our lives.

Welcome to modern mixology – *created for living.*

FRAGRANCE

Thoughtfully Designed

Paddywax vessels are known to be unique, on trend, giftable, and special. Each candle is designed with purpose in Nashville, TN and poured with artisan fragrances sourced from nature's finest ingredients to complement the design.

Cruelty-Free

All of our candles are made with soy wax, and cotton or wooden wicks, and are never tested on animals. They are free of formaldehyde and phthalates.

Designed to be Repurposed

Paddywax candles are intentionally crafted to be repurposed and to have a long-lasting second life in the home once the candle has burned.

New!
**A Dopo
Collection**

At DesignWorks Ink®, we continue to put the fun in functional, as we strive to design stationery and home goods that are as equally beautiful as they are useful. This season sees the launch of our A Dopo Collection.

A Dopo! translates to *See ya Later!* This friendly, on-the-go attitude inspired this whimsical collection that alludes to summertime travels across the Mediterranean and beyond.

Whimsical, hand drawn details dance across this range of bound journals, flip notepads, pens, and storage tins! As an added bonus, each design pairs perfectly with the wildly popular A Dopo candles from our sister company, Paddywax!
